Mike and Katie Dickerman will be our hosts for the Annual MGGA picnic at their Woodland Hill Winery July 11<sup>th</sup> starting at 11am. Woodland Hill Winery encompasses 20 beautiful acres (7 in grapes), a bottling barn, and a tasting room, overlooking Fountain Lake. Visit their website for more info.

This year's educational opportunities include tours of the vineyard and bottling barn, a demo of Mike's self-built "Mighty Weeder," discussion of growing Marquette grapes, and Larry Shafer from Agro-K. LIVE music to follow in the tasting room at 2pm.

The tentative agenda is as follows:

11:00 a.m. — Set-up and registration; we will be in the barn, to the east of the tasting room — please follow the signs.

11:30 a.m. — First tour of vineyard by Mike and Mighty Weeder demo

12:30 p.m. — Potluck lunch

1:30 p.m.—Second tour of vineyard and Mighty Weeder demo

Larry Shafer will be available most of the day to discuss Agro-K's line of products, which Woodland Hill Winery uses.

Everyone is asked to bring a dish to share and encouraged to bring something to grill. There will be electricity for crock pots and running water in the bottling barn. Seating is limited, so please bring folding chairs. This will be a wonderful time to relax, learn a little, eat ALOT, and meet old and new friends!

We are looking for general help with parking, set-up and take down. If interested, please contact Cyndi Ross [cross87@yahoo.com](mailto:cross87@yahoo.com).
